

ABDULLAH MUKMIN

11, Jalan RP 8/8, Rawang Perdana, 48000 Rawang,
Selangor | abdullahmukmin93@gmail.com | 0194023141

OBJECTIVE

Cloud Computing Enthusiast and Azure Certified Professional with a strong background in quality assurance and a passion for cloud technologies. Experienced in managing IT infrastructure, and adept in using Azure services to design, implement, and maintain cloud solutions. Seeking a cloud-related position to leverage my skills in Azure, AWS, and cloud architecture.

CERTIFICATIONS

- Microsoft Certified: Azure Solutions Architect Expert (AZ-305)
- Microsoft Certified: Power BI Data Analyst Associate (PL-300)
- Microsoft Certified: Azure Security Engineer Associate (AZ-500)
- Microsoft Certified: Azure Administrator Associate (AZ-104)

TECHNICAL SKILLS

- Cloud Platforms: Azure (Azure Active Directory, Azure Security Center, Azure Monitor), AWS (EC2, S3, IAM, RDS)
- Cloud Security: Azure Security Center, IAM, network security, data protection, Azure Key Vault, Security Policies
- Networking: Virtual Networks, VPN, Subnetting, Network Security Groups (NSGs)
- Data Management: SQL Server, Azure Storage, Azure Data Factory, Power BI
- DevOps Tools: Git, Jenkins, Docker, Kubernetes, Ansible
- Operating Systems: Windows Server, Linux
- Quality Assurance: Product Testing, Root Cause Analysis

PROFESSIONAL EXPERIENCE

Senior Quality Assurance Engineer
Fuji Seats (Malaysia) Sdn Bhd (APM Group)
April 2023 – Present

- Led quality assurance initiatives and implemented process improvements to enhance product quality in compliance with industry standards.
- Collaborated with cross-functional teams to develop and execute test strategies, ensuring reliable and consistent production outcomes.

Quality Assurance / Quality Control Engineer
WSA Engineering Sdn Bhd (WSA Group)
September 2021 – March 2023

- Developed and maintained QA processes and procedures, significantly reducing defects and improving product quality.
- Conducted root cause analysis on defective products and implemented corrective actions to prevent recurrence.

Production Engineer
Curge Advance Sdn Bhd
August 2019 – April 2021

- Managed production schedules and effectively communicated with management and customers to address production issues.
- Analyzed production data and implemented improvement plans to enhance operational efficiency.

Junior Technical Engineer
Mestron Engineering Sdn Bhd
December 2018 – July 2019

- Provided technical support to customers and prepared technical proposals, demonstrating strong problem-solving skills.

EDUCATION

B.Eng. in Propulsion Engineering
Moscow Aviation Institute, Moscow, Russian Federation
2014 – 2018

PROFESSIONAL DEVELOPMENT

- AWS: Ongoing self-study through AWS-ARC and AWS re/Start training programs.
- DevOps: Ongoing self-study through KodeKloud online training platform.
